Raphael Tuck & Sons' "OILETTE" Postcard No. 4019

KILLARNEY

The Meeting of the Waters. Famous in Art, Song and Story, it might be called the Parting of the Waters, for it is where the Long Range divides, one stream running into the Middle and the other into the Lower Lake. The Old Weir Bridge, close by, connects Dinis with the mainland. It is an antiquated structure underneath whose arches the water rushes with extraordinary rapidity.

After the Original Painting by A. de BREANSKI, Jr.
